A screenshot of a YouTube video player. The video shows a man in a blue polo shirt speaking. In the top left corner of the video frame, there is a small Venn diagram with two overlapping circles, A and B. Circle A contains the numbers 1, 3, 5, and 7. Circle B contains the numbers 9 and 11. The intersection of A and B is empty. The video player interface includes a search bar at the top with the text 'Pesquisar', a play button, a progress bar at the bottom showing 0:06 / 0:30, and a volume icon.
